

# Data Cable Reel D20

Cable reel with Cat7 Ethernet cable. Durable, safe and with smart design.

## Data Cable Reel D20

- ✓ Durable: Made with resistant composite material and high quality components.
- ✓ Safe: spring and electronic components properly protected for safe usage and servicing.
- ✓ Smart: designed for easy connection of cables.
- ✓ Stable: Cat7 ethernet cables gives stability to data transfer.
- ✓ Certified: according to Industrial Cable Reel Directive SS-EN 61316.

A reliable network connection is an essential part of every company's infrastructure. Although a wireless connection is a good complement, for maximum speed, stability and security, a fixed connection is still the best option.

The D20 has been designed to withstand heavy usage in environments such as vehicle workshops, hardware labs, data centers, among others.
