Hose Reel H30

- Easy to install, snap-on wall brackets
- Unique safety latch
- Drum with ball bearings on both sides
- Pressed fitting and steel spiral hose protector
- Hose easily replaced

Safe and functional hose reels for industrial use, professional tradesmen or do-it-yourself workshops. Robust design in high impact composite materials. Supplied with an easily mounted snap-on, pivoting wall bracket and a unique safety latch for safe and easy service. The retractable hose reel is suitable for pneumatic tools, staplers, blow guns and water guns.
The hose reel H30 is retractable and has an optimized spring force, ensuring that the hose retracts smoothly and evenly onto the drum. The high quality spring is pre-tensioned at the factory to suit a wide range of applications, and is well protected inside the drum cavity. The self retracting hose reel H30 is very easy to mount, either on walls, ceilings or floors.
