

# Vacuumblander SB 750

Portable dustless abrasive sandblasting for a cleaner and healthier environment.

## Vacuumblaster SB 750

- ✓ Intended for small repair jobs
- ✓ Lower costs
- ✓ Healthier work environment
- ✓ Portable and easy to use
- ✓ Dust free blasting

Nederman Suction Blaster 750 is not a traditional blasting unit. It provides you with a cleaner and healthier working environment. Blasting is a highly effective way of removing rust, old paint, welding scale and can often replace mechanical or chemical grinding. Abrasive sandblasting gives you a perfectly clean surface providing an outstanding grip for the following surface treatment. The Suction Blaster 750 has a superior accessibility irrespective of the shape of the surface and different accessory nozzles keep the blasting process closed and dust free.

# Vacuumblaster SB 750
